The men of Blair Ridge Baptist Church are pleased to once again be used by God to host a men's leadership conference in our facility. The conference begins at 7:30am with breakfast (the first session will start at 9:00am) and will end around 4:00pm, with lunch provided on-site. The conference will have four sessions, two before lunch and two afterward.

Cedar Rapids has many fine hotels and limited free housing is also available through the church. You are also welcome to "camp out" Friday night in one of the various rooms around the church building.

Joe Hayes has been a pastor in four states and currently serves as the state representative for the Iowa Association of Regular Baptist Churches. He is excited about enabling the men of our churches to fulfill their God-given purpose and grow in leadership as they follow Christ.

Please register early so we can plan effectively.
